

PROFILE

THM Architects, an architectural consultancy, exemplifies innovation and precision in each project, reflecting the client's vision seamlessly. The Home Makers, a dedicated construction and design firm, brings Vishal's creations to life with meticulous craftsmanship, ensuring every solution is within the client's budget. Known for their opulent villas and high-end residences in Rajasthan's southern cities, the firms also boast extensive expertise in Vaastu, blending ancient wisdom harmoniously into their designs.

'ELEVATING LIVING: WHERE LUXURY, TRADITION, AND SUSTAINABILITY UNITE'

VAASTU EXCELLENCE

Our designs embrace the principles of Vaastu, fostering positive energies and a harmonious living environment that resonates with ancient wisdom and modern luxury.

LUXURY INTERIORS

Elevate your living spaces with our signature touch of opulence. From handpicked furnishings to meticulous detailing, we curate interiors that radiate sophistication and comfort.

SUSTAINABLE ARCHITECTURE

Committed to the future, our designs are grounded in sustainability. We harmonize innovative architecture with eco-friendly practices, creating spaces that stand as testaments to responsible living and forward-thinking design.
