Aysha Woods is one of the leading saw-milling and Timber Importing companies operating in Kerala.

We have been in the field of the wood industry since 1984. We have the strong support of an experienced team of professionals who operates our whole business starting from the procurement of quality logs till the dispatch of end products.

We have thousands of satisfied clients all over Kerala.

Our main activity is manufacturing 'Ready- made' door and window frames and shutters .We are the one who introduced this in Kerala. The traditional methods of making door and window frames are a combination of many different tasks like procurement of good quality logs, getting goods yield while sawing, find out honest carpenter, making metal grills, etc. these are time and money consuming. to reduce the risk along with the above tasks, we introduced a factory - made door and window frames. Buying which, customers can save money and time.
